## ABOUT NARA

Established in 1997, Nara Training and Assessing is a leading Registered Training Organisation, delivering high quality, industry aligned and accredited training to individuals and businesses in the mining, transport and construction industries.

Our purpose built, state of the art training facilities are conveniently in Forrestfield in metropolitan Perth and Bunbury in the southwest and offer a range of specialised accredited programs, short courses, Verification of Competency (VOC) certifications, high risk courses and traineeships. Training is also available on your site - ask about onsite delivery options!

Nara has always prided itself on providing high quality, industry focused training - helping to train the skilled experts of the future. Here a just a few reasons Nara is an industry preferred trainer - trusted by businesses and individuals across Western Australia.

## INDUSTRY PREFERRED TRAINING

### INDUSTRY ALIGNED

Courses are designed with industry in mind, offering students the latest hands-on skills they need to thrive in the workplace. Participants can be confident they are learning the skills they need to excel in their area of expertise.

### QUALITY TRAINERS

Nara boasts a team of highly qualified and experienced, Worksafe accredited trainers with an excellent reputation for providing the very latest in skill development. We also maintain a high student to trainer ratio, affording extra attention for individual needs.

### FLEXIBLE OPTIONS

We can design training around your needs. Ask us about customised training packages or we can come to you with onsite delivery!
